## **COACH EDUCATION PROGRAMME 2006/7**

The Cricket Board of Wales recognises that Coach Education plays a pivotal role in the overall development of cricket within the county and will run various courses throughout the winter months of 2006/7 to expand and improve its existing coaching base.

### **Level 1 Certificate in Coaching Cricket ECB Coaching Assistant**

These courses (12 hours + assessment) will help you to assist more qualified coaches, delivering aspects of coaching sessions, normally under direct supervision. This may include running warm ups / cool downs, small sided games and small group work. The target audience for this course is:

- Parents helping out at club junior sections
- Volunteers working in club junior sections
- Adults assisting club coaches on club junior practice nights

### **Level 2 Certificate in Coaching Cricket ECB Coach**

The role of the ECB Coach Award holder is to be able to "Prepare for, deliver and review coaching sessions". This course (24 hours + 10 hours supervised coaching + assessment) will help you to be able to:

- Introduce and develop the game of cricket to people of all ages in an enjoyable way
- Develop FUNdaMENTAL movement skills
- Develop and improve players (as people as well as cricketers) particularly at FUNdaMENTAL and Learning to Train stages of the LTAD model
- Develop your coaching skills, knowledge and qualities

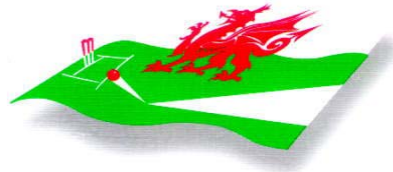

The target audience for this course is people who have gained the Level 1 Certificate in Coaching Cricket and have previous experience of playing / coaching cricket.

Both courses will require attendance or evidence of attendance on a Good Practice Child Protection course and a minimum 3 hour First aid course as well as the enhanced Criminal Record Bureau (CRB) check.

### **Child Welfare**

All successful candidates are required to attend a First Aid and a Good Practice and Child Protection workshop and receive a cleared Criminal Record Bureau (CRB) check prior to obtaining a certificate; therefore details of these courses will be available on confirmation of place on course.

If candidates have attended either or both of the two workshops within the last 2 years and have the relevant certificate they will not need to attend on the dates specified.
